TERMS OF AGREEMENT

Who We Are
SOCAPA students travel from all over the world to participate in SOCAPA Summer Intensives. Whether a novice or an advanced student, each is dedicated to working hard and gaining the most that they can for the length of the program. Our teachers are leaders in their field and love teaching at SOCAPA. They are dedicated and hard working. Our support staff cares deeply about the safety, education, and social experience of the students. They work effortlessly to ensure that each student has a rewarding experience at SOCAPA. This combined effort allows for our students to have one of the most fulfilling experiences of their lives. The intensity of creative expression and artistic development on our campuses is testimony to the hard work of the students, faculty, and staff. As such, we ask that students and parents carefully read and agree to our terms.

Enrollment and Additional Forms
After we (The School of Creative and Performing Arts, referred to in these Terms of Agreement as ‘SOCAPA’) receive your completed application, non-refundable $500 deposit, recent school report card, and Signature Form, we will contact you by both email and postal mail to confirm your enrollment with an acceptance letter and invoice. In addition, we will mail you our campus Information Packet. This packet contains important information about the program and your responsibilities. DUE April 1, 2019 is final payment. Due any time but no later than three weeks prior to the start of the program are final registration forms. All forms must be completed and signed by student and parent/s or legal guardian/s. Final admittance to the program(s) is contingent on SOCAPA’s receipt and review of all forms: Recent Physical/Medical Form, Proof of Insurance, Online Health History, and a photo. We request that you fill out the required online Health History and Travel Information forms through your secure online account. If you prefer not to submit such information online, you may print the form directly from our website and submit the hardcopy at least three weeks prior to program start date.

Deposit, Tuition and Refunds
A non-refundable, $500 deposit, which is applied to the tuition, is required to secure a spot in each of SOCAPA’s Summer Programs. The final tuition balance is due April 1, 2019. If we have not received payment by this date, SOCAPA reserves the right to cancel unpaid applicants with no return of fees. For students who apply after April 1, payment is due in full with application. If SOCAPA does not accept a student who has completed their application, all fees will be returned. However, if an applicant does not complete their application and make payment by due date, and this results in SOCAPA cancelling their registration, the applicant forfeits the $500 deposit and fees as per the below timeline:

Prior to April 1, 2019, all tuition, except the $500 deposit, is fully refundable. For cancellations between April 1, 2019 and May 1, 2019, we will refund 50% of the tuition and fees. After May 1, there are no refunds, except in the form of camp credit. Camp credit is good towards any of our summer 2019 programs and is transferable to family members with the same last name. In the case that camp credit is issued prior to June 1, 2019 the amount of camp credit will be the amount paid to SOCAPA less a $1000 cancellation fee. For cancellations after June 1, 2019, but two weeks prior to program start dates, camp credit will be issued for one half the amount of the tuition portion of the invoice that remains after the $1000 cancellation fee has been assessed. There will be no refund or camp credit for the Room & Board portion of the invoice after June 1. The seasonal nature of the program precludes any refund, camp credit, or reduction for late or non-arrival, early withdrawal or student cancellation within two weeks of the program for any cause. Students sent home in violation of our rules, for medical reasons, or at the discretion of the student, family, or SOCAPA, will receive no refund. SOCAPA recommends that parent/guardians purchase 3rd party program cancellation insurance, such as AMSkier’s Peace of Mind camp insurance.

Applicants may transfer their registrations to other open courses and/or alternate session dates at their own discretion before April 1st with no penalty or loss of deposit. Between April 1st and two weeks prior to the start of camp, transfers made to equivalent or shorter available programs will incur a transfer charge of $125. Transfers to open programs at or after this time may be requested but are not

2019 SOCAPA Terms of Agreement
guaranteed, at SOCAPA’s discretion. Approved transfers at this time may incur a transfer charge and/or a loss of the registration deposit.

**Damage Deposit:** All accounts must have a credit card on file. At the start of the program, a $250 hold will be put on the credit card on file. Any incidental charges like lost room/meal key fees, equipment/property damage fees and/or extra cleaning fees will be taken out of the damage deposit hold and the amount will be put through on the credit card at the end of the program. The remaining balance on hold will be released. If damages are greater than $250, SOCAPA will contact parent/guardian prior to charging the credit card on file. If a student does not incur any additional fees, the entire hold will be released and no additional amount will be put through on the card.

**Cancellation Policy:** SOCAPA reserves the right to cancel or alter some aspect of a program, including program itinerary, dates, location or duration, as a result of unforeseen circumstances, or for any other reason. SOCAPA is not responsible for costs incurred by a student’s family in preparing for a program that is altered or cancelled. Student and parent/guardian acknowledge that if student is dismissed or departs for any reason, or chooses to return early from the program, no refunds can be granted. Further, student and parent/guardian are responsible for any and all costs of early departure whether for medical reasons, dismissal, personal emergencies or otherwise. These costs include, but may not be limited to medical evacuation and costs, medical treatment, plane, train, taxi or bus fare, meals, accommodations, and compensation and expenses for staff that may accompany student. Parent/guardian should understand that staff might not accompany students leaving early for any reason on any part of their trip home. In addition, if parent/guardian cannot be reached when and if their teen returns home early, the Emergency Contact Person designated on your SOCAPA application will be contacted for notification and communication purposes.

**Equipment Loss or Destruction**
Parent/guardian will be held financially responsible for their child's willful or accidental destruction or loss of any SOCAPA equipment/property or that of the host university. This may include sharing in the group’s collective responsibility for willful equipment/property destruction or loss. Damage costs will be deducted from the $250 SOCAPA damage deposit fee. For damages greater than $250, SOCAPA will contact the family prior to charging the credit card on file. In addition, SOCAPA is not responsible for a student’s lost, stolen or damaged personal belongings. SOCAPA’s insurance does not cover students’ personal belongings and parent/guardian should check their own insurance policies to be sure their child’s belongings are covered against loss, theft or damage.

**Student Agreement**
We go to great length to convey what the program is like on our website and in our written materials. SOCAPA is a summer intensive in the arts - students are in class from 9 - 5 each day, with some evening work as well. While we have a lot of summer fun, too, each student must understand the intensity of the program and agree to comport himself in a way conducive to success in such a program: a good night’s sleep, healthy eating, being prepared for class, participating in class, etc.. The group atmosphere is very important to any SOCAPA experience. Students are expected to be motivated, positive, and willing to shoulder responsibilities and participate actively in classes and activities. Each student must understand and agree to refrain from using any illegal drugs, alcohol or tobacco products, and to refrain from engaging in any sexual activity. Everyone works together in an atmosphere of respect for peers and staff. Any actions detrimental to the group or those that prevent us from enjoying a healthy and fun summer may result in the student being sent home with no refund of fees. The following Codes of Conduct are an overview of what is expected:

**Codes of Conduct**
Both parent/guardian and student must understand that for the health, safety and welfare of all members of SOCAPA, students must abide by all rules formulated by SOCAPA or by SOCAPA staff members. SOCAPA reserves the right to dismiss any student from the program that staff believes, in their discretion, is injurious to him/herself or others, presents a safety concern or medical risk, is disruptive, or otherwise conducts him/herself in a manner detrimental to the program. Use of illegal drugs, tobacco products or alcohol, extended homesickness, regular and excessive tardiness, negative attitude, not adhering to rules, sexual activity and theft are examples of conduct that SOCAPA considers detrimental to the program, which can lead to early dismissal.

2019 SOCAPA Terms of Agreement
2
SOCAPA has a zero-tolerance policy towards violence or acts of sexual or racial harassment. Any student or staff member that engages in an act of violence or harassment will be removed from the program.

Violence includes but is not limited to: threatening behavior, verbal or written threats, harassment, verbal abuse, physical attacks, defamation, and any cyber-related teasing/threatening/bullying.

Sexual harassment may include: any demeaning sexual proposition, unnecessary physical contact of any kind, leering at a person's body or body parts, sexually explicit or suggestive remarks about a person's clothing & physical attributes or behavior, sexually charged insults, humor, or verbal abuse.

Racial Harassment is any abuse of an individual or group on the basis of race. Racial harassment includes overt acts of oral, written, or physical abuse, as well as subtle and therefore less obvious forms of harassment such as epithets, innuendo, remarks, and attempts at humor.

Tobacco, alcohol or drugs are strictly prohibited. SOCAPA supervisors have the right to search the student’s room for illegal substances and to confiscate if any are found.

Possession of firearms and/or any other weapons is strictly prohibited even if they are props.

Response to Violations of Codes of Conduct
Behavior of any staff person or student, which constitutes violence, harassment or which violates any other code of conduct, must be reported to the Campus Director. Any staff person found to be in violation of these codes is subject to appropriate action, which may include probation, suspension of duties, or separation from the school. Any student we find violating these codes will be sent home immediately.

Medical Treatment
Student and parent/s or guardian/s (hereafter collectively ‘parent/guardian’) authorize SOCAPA staff, representatives, contractors or other medical personnel to obtain or provide medical care for student, to transport student to a medical facility and to provide treatment they consider necessary for student’s health. Student and parent/guardian agree that SOCAPA has no responsibility for medical care provided to student, and agree to pay all costs associated with that care and transportation.

Medication and Wellbeing
Families are responsible for indicating any and all medications that the camper will bring to camp and any health specifics on the online Health History form through the student’s online account. Families are responsible for ensuring that the medication is clearly labeled and that dosage and time of administration is clear. Families can choose for medication to be self-administered or for medication administration to be camp supervised. SOCAPA reserves the right to inspect, collect and hold any and all medications for the safety and well being of the camp community.

Insurance
SOCAPA requires that participants have medical insurance for the duration of the SOCAPA program and requires proof of coverage before program start date. SOCAPA highly recommends that parent/guardian purchase program cancellation insurance as well, which often comes bundled with this medical insurance coverage. Parent/guardian understands that they are responsible for all costs associated with the medical care or treatment of their child, while on program or otherwise, including those costs that may not be covered by this purchased insurance or their own personal medical insurance. Previous years, students have had positive experiences with Assurance Solutions (www.protectmytrip.net) for their trip and medical insurance.

Supervision

2019 SOCAPA Terms of Agreement 
3
The number one priority at the School of Creative and Performing Arts is the safety and well-being of our students. SOCAPA has a full staff of qualified supervisors on-duty at all times during the program. All of our counselors and teaching assistants are handpicked for their strong leadership skills and experience. Most have degrees in either visual or performing arts from prestigious universities and many have been through Residence Assistant training programs.

Students are not allowed in the dormitory rooms of members of the opposite sex unless it is for filming purposes and there is a SOCAPA supervisor present.

On evenings and weekends when students are not in class or on shoots, SOCAPA provides a full schedule of activities until 10pm. Students must be in their rooms for check-in at 10:30pm and lights-out is at 11:00pm. Our supervisors will make rounds and conduct sporadic room checks after lights-out to make sure the students remain in their rooms. In addition to the on-duty SOCAPA resident supervisors and resident director, our host campus provides their own security to ensure the safety of our campers.

There are three levels of supervision, which correspond to the different age groups of our students. These levels apply to evening and weekend activities and other times when students are not in class.

MANHATTAN CAMPUS PRE-COLLEGE PROGRAM
(Ages 15-19):
Students 15 years or older qualify for the Pre-College level of supervision: After the first week of mandatory structured evening activities, pre-college students are given two or three evenings off, allowing them blocks of free time that they can structure to meet their individual interests and needs. This means that students may have from 5:30 - 10:00pm of free time during weeks 2 and 3 of our longer sessions to continue to work on their projects, go see an exhibit, see a movie, etc. Students may sign out using the Buddy System during this free time. At the New York City campus, Pre-College students may travel by Subway with their buddy. Students in the Pre-College Program are mature and take personal and group responsibility seriously and are able to handle increased freedom.

LOS ANGELES, BROOKLYN and BURLINGTON CAMPUSES HIGH SCHOOL PROGRAM (Ages 13-18): The High School level of supervision provides highly structured evening and weekend activities throughout the program. During limited amounts of free time, which is typically between 5 and 7pm daily, students may sign out to explore the surrounding area inside specific boundaries set by staff, get supplies, or scout photo and film locations using the Buddy System. In addition, the Buddy System allows students to have some independence during class time and structured evening/weekend activities by allowing them to explore limited surrounding areas while still being with the larger group. For example, when the group goes to the MOMA or to the Farmer's Market, students arrive with a counselor and then are given an hour and a half to two hours to explore the event with a buddy or small group before meeting with the counselor again for a check-in.

How The Buddy System Works:
Pre-College and High School students can go off campus during free time by signing out in the office and providing destination, purpose and contact information. Each student must be accompanied by another SOCAPA student. Each buddy group must have a cell phone with them and they must stay together at all times. Students are never to go off on their own. Upon return, students sign back in with the staff. Students are responsible for knowing by when they must return. If students return later than expected or return late for class/ evening meeting/curfew, etc., the off-campus privilege may be revoked.

Signing out with a family member of friend of the family:
If parent/guardian would like to sign out a student for any period of time (for example to go out to dinner with Auntie Alice who lives near campus), we require a completed PARENTAL CONSENT FOR STUDENT TO LEAVE CAMPUS WITH NON-SOCAPA STAFF FORM. This form, available on our website, should be signed and faxed (or e-mailed) to our office 48 hours prior to the sign-out time. The form details to whom we should release the student, when he/she should be released and for how long, and a contact
number where the student will be. Students must notify a supervisor upon departure and return. Students must be back no later than check-in (10:30pm) unless spending the entire night (10:30pm – 8:00am) off campus.

Please contact our main office if you have any questions about these supervision levels. We encourage you to discuss the option as a family and agree on conduct guidelines prior to arrival.

**Content Release**
Student and/or parent guardian retain copyright to original works that the student creates while attending SOCAPA. However, they grant SOCAPA the following worldwide, royalty-free and non-exclusive license(s), as applicable: the license to use, distribute, share, reproduce, modify, adapt, publicly perform and publicly display such Content, in all languages and in all media now known or hereafter devised, for any purpose. This includes, but is not limited to, the use of Content in the SOCAPA website, printed promotional materials, and social media websites such as Facebook, YouTube, and Instagram.

**Photo Release**
Student and parent/guardian authorize SOCAPA, and/or parties designated by SOCAPA, to use photos, videos and recordings which may be taken of or include student, for sale or reproduction in any manner SOCAPA desires, for advertising, display, educational, audiovisual, or other use.

**Transportation Release**
Parent/guardian understands that there are times during the course of the program when students will be transported off-campus on field trips to local parks, studios, theaters and museums. Parent/guardian understands that passenger vans and automobiles are the primary means of transportation on these excursions in Vermont and L.A. Public Transportation (subway) is the primary mode in New York City. Parent/guardian gives permission for their child to attend these field trips and to ride in passenger vans, buses, and automobiles operated by trained SOCAPA staff and/or licensed transportation companies.

**Screening Release**
Parent/guardian understands that there are times during the course of the program when students will have the opportunity to attend screenings by visiting filmmakers or actors whose films may not yet be rated or may be rated R for mature content. These films are carefully selected based on their artistic merit and are deemed appropriate for such screenings by the director of the program. Parent/guardian gives permission for their child to attend such screenings.
