IMPORTANT NOTES ABOUT THE SCHEDULE ABOVE:

*Arrival/Departure Details
- If you are dropping your student off, we invite you to bring your child to campus between 1-4pm on the opening Sunday of the program. You can help your child get settled, go out and get necessary supplies, and have a look around campus. Parents should plan to leave at about 4:30 pm, which is when program meetings and orientation starts.
- On the final Saturday of the program, pick up is between 8-10am.
- Day Students should plan to attend the activities on the opening Sunday from 4:30pm – 8pm.
- For those arriving by air, we service JFK, LGA, and EWR on the opening Sunday and the final Saturday of the program only. Please schedule arriving and departing flights between 11am - 3pm. Flights that arrive/depart outside the recommended time slot will be subject to an additional transfer fee.
- If your child is traveling as an “Unaccompanied Minor,” as designated by the airline, there is an additional fee of $150 roundtrip, $75 each way, charged by SOCAPA. It is important that you notify SOCAPA if you have purchased or have been required to purchase the Unaccompanied Minor service from your airline. We will be able to inform you of the name of the person who will be picking your child up the Friday before arrival date, but no earlier. Please note that the airline also charges for this service. **We can only provide the Unaccompanied Minor service during our 11am – 3pm time slot.**
- For domestic flights, we will meet the student at the baggage claim area for the flight. For international flights, we will meet students at the exit from customs. SOCAPA staff will be wearing a SOCAPA t-shirt and have a sign with student’s name. On departure day, we see students to their airline ticket counter, but we cannot accompany them past security.
- **Check-out procedure:** Students are responsible for cleaning their rooms and returning their room key. Our host university levies an additional fee for lost room key ($75) and lost ID ($25) as well as excessive cleaning (from $25 - $100), which will be charged to the card on file on your account if the total amount is under $200.

**Final Showcase Schedule** – The time and location of the screening or live performance will be shared at the beginning of the final week, but in year’s past the showcase has started as early as 12 noon due to the number of students and the length of the work to be shown. Following the showcase, there is a “wrap party”. Students may either leave with friends or family after the showcase on Friday night or during the scheduled checkout time on Saturday morning. If you plan to check your child out Friday night, please make arrangements with the Resident Life Office prior.

LOCATION:
SOCAPA Manhattan’s Pace University campus is ideally located in the heart of downtown - the thriving, artistic and educational hub of the city. Our residence hall, classrooms, studios, theaters and cafeteria are all within a few blocks of one another in the vibrant neighborhood between South Street Seaport, Wall Street, and Broadway. Students are within walking distance to Pier 17, Battery Park, the Brooklyn Bridge, Little Italy, Tribeca, and Soho.

SOCAPA’s main facility at 140 William Street is a brand new, seven-story, 47,200 square foot building dedicated solely to training in the performing arts. The building houses studio classroom spaces, two
blackbox performance spaces, four dance studios (including one large performance hall), a soundstage, screening rooms, digital design labs and other multi-purpose training spaces.

NEW YORK CITY: New York City has long been a world center of artistic and cultural exploration. SOCAPA is surrounded by exciting locations for film shoots, many of which have been photographed by some of the most famous film directors of our time. SOCAPA students find themselves in the heart of this vibrant city, walking distance from the Brooklyn Bridge, the Financial District, New York City Hall, Chinatown, Little Italy and a short subway ride to Washington Square Park, Times Square, the Theater District, and Central Park. This campus provides access to a diverse collection of cafés, restaurants, and artistic venues. We at SOCAPA feel that New York City is perhaps the world's greatest classroom. We conduct many of our classes and exercises in our favorite parks and take many field trips to museums, studios, shows and screenings.

RESIDENCE HALL: The newly renovated residence hall located at 182 Broadway features doubles and triples with a private bathroom in each room. Rooms are furnished with extra-long twin beds, desks, dressers, a microwave, and a mini-fridge. Amenities include rooms that are wired for Ethernet (need to bring your own cable), WiFi broadband access, and central air conditioning. The 4th floor common area includes a student lounge, a kitchen, and free laundry facilities. The building also has 24-hour security and can only be accessed by current residents with a key card, which are issued to students upon arrival. Linens are available to rent (must be ordered ahead of time) and include a set of sheets, light blanket, small bath towel and facecloth.

DINING HALL: The meal plan for the Manhattan campus includes a welcome dinner on the town, breakfast at area restaurants with vouchers that SOCAPA will provide, and lunch in Pace’s cafeteria Monday through Friday. The cafeteria is located at 1 Pace Plaza. **Students are responsible for their own dinners and weekend meals.** The South Street Seaport area around the dormitory boasts one of the most diverse and reasonably priced concentrations of delis, street vendors, cafés and restaurants anywhere in the world so students have a plethora of choices for dinners and weekend meals. Prices can vary from two-dollar falafels and slices of pizza to twelve dollar sit down sushi combo dinners. We make it a point to recommend a wide variety of our favorite New York cheap eats and to encourage our students to try something they can't get at home. We generally recommend a total of $160/week to cover dinners and weekend meals.

CHECK-IN: Check-in will take place between 1-4pm on the opening Sunday of the program in the reception area of Pace University dormitory (see enclosed Campus Map). You will receive your room key and roommate assignments upon your arrival. We cannot provide the name of your roommate before check-in.

DAY STUDENTS: Day students are strongly encouraged to attend Sunday’s registration and orientation. Please plan to arrive between 4-4:30pm and to stay until about 8:00pm. We will be handing out schedules and covering valuable information during this orientation. This orientation will also provide you with a chance to meet your fellow students and teachers/staff.

The day student schedule normally runs from Monday – Friday, 8:45am – 5pm, although some evenings and weekends are used for rehearsals and casting, shooting, and editing. Some classes start earlier, as well, so please always refer to your schedule.

Meals: Day students may eat lunch with their classmates in the cafeteria, which is covered through the meals and activities fee.
Day students do not have access to the dorm, and do not participate in the evening activities that we organize for residential students in New York City. There are spaces in the classroom building where day students may socialize and pass the time between the end of day classes and the beginning of evening classes when needed.

RESIDENTIAL STUDENTS:

Mail: Our Residential Life office will provide information about how to send mail to camp as we approach our summer start-dates.

Phones/Internet: We encourage students to bring their cell phones, but they must be turned off in all classrooms, editing rooms and screenings or they will be confiscated. All dorm rooms have WiFi access if you bring a compatible laptop. Students may use the phones or computers in our Residential Life Office as needed. *International calls can be placed from the Residential Life Office.

Laundry: Washers and dryers are available on the 4th floor of your dormitory for your use free of charge. Detergent pods are available for purchase in the Residential Life Office as well as throughout the city.

What happens if I get locked out or lose my key? DO NOT LOSE YOUR KEY OR ID! You are expected to have your keys and ID card in your possession at all times. If you lock yourself out of your room, a SOCAPA residential staff person can meet you in the lobby to let you into the building and into your room. There is a $75 lost key fee and a $25 lost ID fee, so please take the necessary precautions to avoid these charges.

Room Safety: We will not be the only group of students living in the dormitory so keep your doors locked at all times and valuables in a secure place.

Spending Money: SOCAPA covers the cost of planned activities on nights and weekends, as well as transportation involved in attending those activities. Students may want to bring spending money for props, snacks, and shopping, as well as any activities they would like to enjoy on their own. We suggest $5-$10 a day for incidentals and $160/week for dinners and weekend meals. Because SOCAPA cannot access money for students if they run out, we highly recommend sending your child with a prepaid/reloadable debit card if they do not have a bankcard already, such as a Visa prepaid card or PayPal prepaid Mastercard. These cards can be used to purchase items and withdraw cash. If the student runs out of money, parents can reload the card from home. Please do not send your child with hundreds of dollars in cash. It is not safe.

MEDICAL EMERGENCY:

In the event of a medical emergency, students will be taken to the emergency room of the nearest hospital. The hospital’s EMS unit will provide ambulance service in the case of an emergency. Our staff will escort students to the emergency room when appropriate. Parents will be notified immediately. All students are required to have primary medical coverage and to list emergency contacts on the medical form.

New York Presbyterian – Lower Manhattan is the closest emergency room to our campus.

It reduces our lost and found pile and makes for happy campers and parents when you return home with all your belongings. Please think twice when packing valuable items - Do you need it? Are you responsible with your belongings, or do you leave them around?

In addition to the above suggestions for all students, please see the program lists below:

Filmmakers:

**MANDATORY:** An external MAC-compatible USB/FireWire **hard drive** (not one that must plug into wall) of at least 500 Gigs is **required** so that you can take all your digitized raw footage and project files home with you. It also allows you to edit on any available computer in our editing lab. We recommend a LaCie Rugged.

- Story Ideas, see film assignments in the curriculum section of our website

**RECOMMENDED:** Laptop computer. For filmmakers, it could be helpful when writing your script but is not necessary; you will have limited access to a computer center.

- Small props and costumes that are necessary for your film idea. Don’t go overboard!
- Music that you think would be good in your film (on hard drive – you can’t upload from an iPod or MP3 Player)
- Any camera that you own that you want to learn how to better use; any film or video work you want to share.

Screenwriters:

- A Laptop computer is **required** as part of the program.
- Story ideas.
- Any previous writing/screenwriting you would like to share.

Actors:

- A notebook and pens/pencils.
- A pair of lightweight sneakers/comfortable shoes.
- Comfortable lightweight clothing that you can move freely in and that will not make you self-conscious in movement/yoga classes.
- Interesting, versatile clothes/costumes as you may be asked to play a wide range of roles over the course of the program. A nice suit or dress usually comes in handy. Try to avoid white clothing, as the color white does not translate well to film/video.
- 3-week actors, for headshots, a few options of tops. Layers and texture are great. Each should be a solid color-rich, saturated colors that bring out your eyes. Avoid solid white & solid black colors, as well as busy patterns, stripes, polka dots and neons.
- Ideas for a monologue and a short two-person scene, both can be professionally written (from a play or film) and should be between two and three minutes long.
- Make-up, as you generally need to do your own.
- A refillable water bottle.
Photographers:

**MANDATORY:** An external MAC compatible USB/FireWire hard drive (not one that must plug into wall) of at least 500 Gigs is **required** so that you can take all your digitized raw footage and project files home with you. It also allows you to edit on any available computer in our editing lab. We recommend a LaCie Rugged.

- Comfortable footwear for long walking safari trips around the city. Please note that we do not allow open toe sandals/flip flops on photo safaris. Comfortable closed-toe shoes are necessary for the photo safaris.

**RECOMMENDED:** Any camera or photo equipment that you own and want to learn how to better use.

- Tripod if you have one.
- Any photography work that you have done that you want to share (digital, prints or negatives).
- A backpack or carrying bag for photo safari trips. Sunscreen, water bottle, rain gear.
